

Your Technology Expert

AUTOMATION INTEGRATOR

ORGANIZATION | EXPERTISE | INNOVATIVE

ABOUT US

Nile Automation & Control System Is established with an objective to provide safe and cost-effective solution to client by using the effective and efficient combination of PLC, SCADA, HMI, VFD, and other Industrial Automation products.

- ◆ Control Panel Designing and Manufacturing
- ◆ PLC Programming
- ◆ SCADA HMI Programming
- ◆ VFD, Servo Motor Encoder
- ◆ 21CFR Reporting Services
- ◆ PLC Validation
- ◆ Reporting Services
- ◆ Up gradation of existing Manual system.
- ◆ Industrial Instrument Supply and Services
- ◆ Electric Maintenance/Repair/Upgrade/Retrofits
- ◆ Transformation from manual to Automatic system

WHY CHOOSE US

1 Mission

- ◆ To become trusted name in the Industry.
- ◆ To ensure on time delivery.
- ◆ To provide innovative, cost effective and secured solution to engineering industries.
- ◆ To ensure safety of manpower, equipment and environment.

2 Quality Policy

- ◆ Nile Automation & Control System is committed in achieving customer satisfaction by Providing Safe and Quality Products, Design and Solutions. We always deliver best service And support to customer. We strive to improve continuously through our Quality Management System.

3 Service We Offered

- ◆ PLC Programming (All Make PLC)
- ◆ SCADA, HMI Development
- ◆ VFD, Servo Motor, Encoder Programming
- ◆ Transformation from manual to Automatic system
- ◆ Control Panel Designing and Manufacturing
- ◆ Electric Maintenance/Repair/Upgrade/Retrofits

3 Core Values

- ◆ Customer Satisfaction
- ◆ Smart Work
- ◆ Trust
- ◆ Excellence
- ◆ Passion

We Serve Following Industries

◆ Water Treatment

◆ Oil and Gas

◆ Automobile

◆ Pharmaceutical

◆ Building Technologies ◆

◆ Energy

◆ Packaging

◆ Steel

◆ Dairy ◆

Our Products

CONTROL PANEL

We are offering an exclusive range of control panels

- ◆ Programmable Logic Control (PLC) Panel
- ◆ Motor Control Center (MCC) Panel
- ◆ Power Control Center (PCC) Panel
- ◆ Change Over Control Panel
- ◆ SPM Control Panel
- ◆ APFC Control Panel
- ◆ PLC Control For Dairy & Process Control Panel
- ◆ VFD/ Servo Panel
- ◆ Assembly Line Control Panel

We Are Stockiest And Supplier Of Delta Make Products,

- ◆ Programmable Logic Controllers (PLC)
- ◆ Human Machine Controllers (HMI)
- ◆ Servo Drive's & Motors
- ◆ Variable Frequency Drives (VFD)
- ◆ Motion Controllers

We Are Stockiest And Supplier Of Mitsubishi Make Products,

- ◆ Programmable Logic Controllers (PLC)
- ◆ Human Machine Controllers (HMI)
- ◆ Servo Drive's & Motors
- ◆ Variable Frequency Drives (VFD)

**Automating
the World**

We Are Stockiest And Supplier Of Invt Make Products,

- ◆ Programmable Logic Controllers (PLC)
- ◆ Human Machine Controllers (HMI)
- ◆ Servo Drive's & Motors
- ◆ Variable Frequency Drives (VFD)

We Are Stockiest And Supplier Of Flexem Make Products,

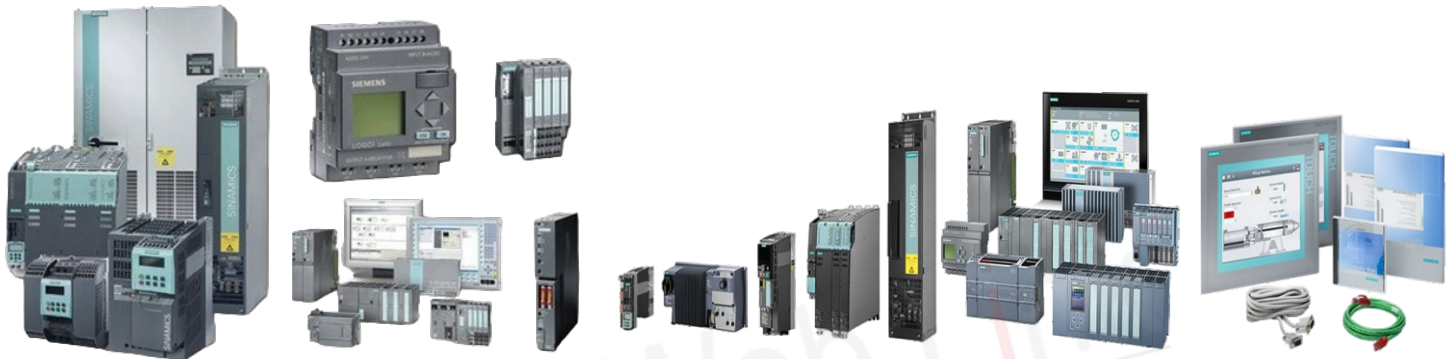

- ◆ Programmable Logic Controllers (PLC)
- ◆ Human Machine Controllers (HMI)
- ◆ Servo Drive's & Motors

SIEMENS

We Are Stockiest And Supplier Of Siemens Make Products,

- ◆ Programmable Logic Controllers (PLC)
- ◆ Human Machine Controllers (HMI)
- ◆ Servo Drive's & Motors
- ◆ Variable Frequency Drives (VFD)
- ◆ Wincc SCADA
- ◆ Switchgears, Encoders, Profinet Cables

Sensors and Safety Curtain

We are stockiest and supplier of Omron, Ideal, Banner, Sick, Teknic, Baumer, Delta, Autonics, Keyence, Orbital Sensor And Safety Curtains.

Encoder Dealers

We are the stockiest and Supplier of Delta, Autonics, Orange & kubler make Encoders.

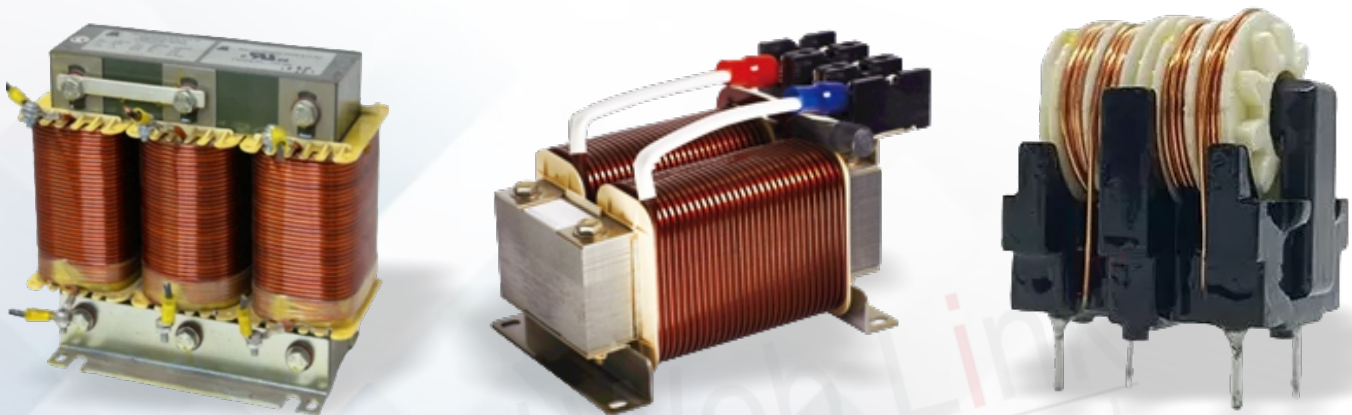

Transformer And Line Choke

Choke

Also known as an inductor, a choke uses inductance to affect a signal. For example, in a fluorescent lamp, a choke limits the current through the lamp, and may also have a low voltage tap to heat the cathodes. A choke coil can act as one of a transformer's windings to filter out high-frequency noise.

Transformer

A transformer establishes magnetizing current, and transforms one signal level to another. Transformers can control the power of alternating current, which can help increase efficiency and lower electricity bills.

Clients

 **FRESENIUS
KABI**

Emcure
